Turmoil Inside China Arouses Global Concern

By WILLIAM L. RYAN

Is Red China, increasingly isolated from the rest of the world, preparing for a major war?

The turmoil in that vast country and what it might mean to world peace are arousing concern around the world.

The worry is not confined to non-Communist nations. A round of visits by Soviet Communist party chief Leonid I. Brezhnev to Yugoslavia, Bulgaria and Hungary is widely viewed as indicating anxiety about China's intentions.

The official Yugoslav radio pointed out that Peking "no longer recognizes the Geneva agreements" of 1954 on Viet Nam, on which it had previously insisted doggedly. This, it said, added to a "mistrust of Peking (which) is growing at a time when essential world problems are at stake. How this increases the distrust is obvious."

Worry is expressed in some quarters that progressive escalation of the Viet Nam war will reach a point where Red China will intervene directly, perhaps out of desperation to prevent negotiations.

Caution Noted

What are the chances of Red China risking a big war?

The current uproar in China, the widespread purge, the wild rampages of the officially inspired Red Guards and the predominance of a military clique provide plenty of cause for anxiety. Domestic Peking broadcasts add to this concern.

Despite all the portents, a note of caution remains. Peking propaganda also underscores Mao's injunction that "the Red army is not only for purposes of fighting a war." It is needed on the home front, notably in production.

Unready For War

There has been a spate of Red Guard attacks on party committees and functionaries. In 20 of China's 27 provinces and in many cities party headquarters have been attacked, leaders humiliated. All this signifies widespread disarray amid a struggle for power. There are reports from many areas of resistance to the cultural revolution, even of fighting.

Would Peking's leaders in such circumstances invite major war? It is always possible that a picture of a nation gripped by violent, foreign-hating nationalism but unprepared to face awesome U.S. power.

Peking's warlike noises seem to stem from official conviction that the United States plans war on China. Evidently it sees the escalation of the Vietnamese war as evidence of this. Peking seems to fear war, but not yet to invite it.

Weather

By The Associated Press

ESCANABA AND VICINITY—Increasing cloudiness with chance of a few brief showers today, continued cool, high 56. Partial clearing and continued cool tonight, low 40. Partly cloudy and continued cool Wednesday, high 56. Southwest winds (10 to 20 mph) shifting to northwest (12 to 22 mph) this afternoon, diminishing some tonight. Thursday outlook: warmer, chance of showers. High yesterday, 57 and low overnight, 41. Precipitation probabilities: today, 30%; tonight and Wednesday, 10%.

Upper Peninsula—Mostly cloudy with a chance of brief showers in the east half this afternoon. Partly cloudy and cooler tonight. Wednesday partly cloudy with not much temperature change. Low tonight in the 30s. High Wednesday in the 50s.

The sun sets today at 6:37 p. m., and rises Wednesday at 6:42 a. m.

MEMBERS OF THE 1ST BATTALION 4th U. S. Marines run along a jungle trail "on the double" at the command of their platoon commander, second from right, to a forward position a short distance south of the Viet Nam demilitarized zone. The call for reinforcements came during a brisk engagement between the Marines and elements of the North Vietnamese 324B division. They have been pounding each other for the past week south of the zone. (AP Wirephoto)

Chrysler Takes Cue From Ford, Cuts Price Hike

DETROIT (AP) — Chrysler Corp. cut back its announced 1967 auto prices today, as Ford did earlier, to make it more competitive with General Motors.

Even with the revised figures, the average General Motors increase of \$54 a car was still lower than that of its two main competitors. The revised Chrysler hike averaged out at \$64, while Ford was \$68.

Ford, first of the automakers to announce prices on its new cars, made automotive history Monday night when it became the first major car maker ever to pull back on announced price increases.

It cut \$41 from an average price increase of \$107 which was announced Sept. 20.

Chrysler, which like Ford was trapped when its announced price increases turned out to be larger than those of GM, slashed prices of 118 of its 128 models. Five models remained unchanged.

Jury Is Picked In Kluxer Trial

HAYNEVILLE, Ala. (AP) — A male jury of eight Negroes and four whites was chosen today to try Ku Klux Klansman Eugene Thomas on a murder charge for killing a white civil rights worker.

Thomas, 43, a Bessemer, Ala. steel company employee, is accused of the slaying of Viola Gregg Luzzo of Detroit, Mich. A conviction on a first-degree murder charge could bring the death penalty.

Twenty-one Negroes and 11 white men remained on the list of prospective jurors when Atty. Gen. Richmond Flowers and defense attorney Arthur J. Hanes began striking the jury.

Hanes, a former Birmingham mayor, removed 13 Negroes from the list with his strikes. Flowers struck 7 of the 11 white men on the list.

Before the jury was chosen, Circuit Court Judge Worth Thagard rebuked Flowers in open court for a statement the attorney general made to newsmen Monday.

Thagard said he took the statement to mean an accusation that Negroes on the venire of prospective jurors were "handpicked."

Five From State Die In Viet Nam

WASHINGTON (AP) — The Pentagon Monday identified five Michigan men who have died in connection with the Viet Nam War.

Killed in action were: Pfc. Paul G. Hazen, son of Mr. and Mrs. Adelbert Hazen of Center Line; Pfc. William M. Shetron, son of Mr. and Mrs. John Shetron of Flint; and Pfc. Ronald F. Van Raemdonck, son of Mr. Joseph Van Raemdonck of Detroit. All of the victims were Army personnel.

Erhard To See Cape Kennedy

WASHINGTON (AP) — President Johnson and Chancellor Ludwig Erhard of West Germany conclude two days of talks today and fly to Cape Kennedy for a look at the American spaceport.

The four hours of flying also gives them an extra chance to try and resolve Germany's request for a moratorium of four or five years in fully living up to its agreement to purchase \$1.35 billion worth of U.S. military goods by mid-1967.

At a state dinner Monday night, Johnson told Erhard he will do "my very best" to visit West Germany next spring "if my other responsibilities will permit." Erhard earlier invited him.

Johnson also said one of those responsibilities — U.S. efforts in Southeast Asia — "can never and will never diminish our concern for the security of Europe and the Atlantic."

The dinner guests included the Gemini 11 astronauts, Cmdr. Charles Conrad Jr. and Lt. Cmdr. Richard F. Gordon Jr., who were aboard America's most recent manned space shot from Cape Kennedy.

Vatican Mission Going To Saigon

VATICAN CITY (AP) — A special Vatican mission will leave for South Viet Nam today to help promote peace in that troubled nation.

The Vatican announced that the mission will attend an extraordinary conference to study the problems of the Roman Catholic Church in Viet Nam.

Sources at the Vatican said the mission would undoubtedly seek an agreement to restore peace between the often clashing Buddhist majority and Catholic minority there as a contribution toward the eventual end of all fighting in the country.

There was no disclosure of what other moves the mission might undertake but Vatican contacts described the trip to Viet Nam as of "major importance."

The head of the mission is Archbishop Sergio Pignedoli, apostolic delegate to Canada.

Pope received him in audience this morning.

The Vatican newspaper L'Osservatore Romano said the mission will go to Saigon.

The Vatican announcement did not indicate any plans for direct efforts at negotiation between the major powers at war in Viet Nam.

But the Pope has said repeatedly he would do anything possible to achieve peace in Viet Nam and has made both himself and the resources of the Roman Catholic Church available.

Dispatch of the mission came a week after the Pope issued his fervent encyclical plea for the contending nations to stop the struggle in the name of God and seek a negotiated end to the war.

Pub Abandons Trading Stamps

BARNESLEY, England (AP) — The Alhambra Tavern has abandoned a project to pass out trading stamps for drinks.

"The rush is too hot for us to handle," Les Simpson, the pub keeper, said Monday.

Simpson started the scheme with a fanfare Sunday, promising one trading stamp for each drink bought — whether a pint of beer or a short whisky.

South Koreans Maul Cong On Cat Mountains

SAIGON, South Viet Nam (AP) — Infantrymen of the South Korean Tiger Division reported killing 92 Viet Cong today to run the total enemy dead to 300 in five-days of mountain fighting near south Viet Nam's central coast.

While the Tiger Division drove against the Communists in the Phu Cat Mountains, 4,000 more troops of the 9th Korean White Horse Division landed in Viet Nam.

The new arrivals, making up the division's 29th Regiment, raised to 36,500 the Korean forces opposing the Communists there.

Elsewhere in South Viet Nam, only scattered, small ground action was reported. But the U.S. air offensive over North Viet Nam continued and giant B52 bombers again plastered Communist infiltration routes in the demilitarized zone.

U.S. planes attacked oil and supply dumps in North Viet Nam Monday and dropped 500-pound bombs on Communist storage areas in the demilitarized zone.

The eight-engine bombers, flying in from Guam before dawn today also unloaded tons of explosives on North Vietnamese supply dumps inside the buffer zone.

Augmenting these heavy strikes, smaller tactical bombers struck at the western corner of the demilitarized zone. Air Force F4 Phantoms pounded a truck park and an oil dump and pilots reported five secondary explosions and eight fires from their strikes.

Hurricane Inez Hits Leewards

MIAMI, Fla. (AP) — Hurricane Inez bore down on the French islands of Guadeloupe with 100-mile-an-hour fury today and, 1,000 miles in her wake, another tropical blow appeared to be forming.

The 295,000 residents of Guadeloupe, a chain of seven run, sugar and coffee producing islands at the eastern end of the Caribbean, battered down against an assault of wind and water expected to reach its height in the afternoon.

And, 1,000 miles east of Trinidad near the coast of Venezuela, a new disturbance with circulating winds showed up on the map, moving westward along the historic path of hurricanes coming across the Atlantic from their breeding grounds near Africa.

Small craft hurried into safe harbors through most of the Leeward and Windward Islands as Inez approached, pushing up great tides and swells. Guadeloupe is a part of the Leeward chain.

The Weather Bureau warned those living in exposed coastal areas to evacuate immediately.

Cholera Threat In Middle-East

BEIRUT, Lebanon (AP) — Health officials of five Arab countries recommended today that their government inoculate their entire populations — an estimated 15 million persons — against the threat of cholera from Iraq.

The representatives of Syria, Kuwait, Saudi Arabia, Jordan and Lebanon met in Chitaura, a Lebanese resort.

President Plans To Attend Asian Meet In Manila

WEST GERMAN CHANCELLOR Ludwig Erhard has a few words to say after meeting at the White House with President Johnson. Their conference was held amid reports the Chancellor would seek postponement of an arms purchase agreement between West Germany and the United States. (AP Wirephoto)

Williams-Scholle Land On Griffin With All 4 Feet

By The Associated Press

G. Mennen Williams let Sen. Robert P. Griffin have it with four barrels Monday, calling his Republican opponent for the U.S. Senate "anti-progress, anti-people, anti-city and anti-labor" in his voting record in Congress.

"I heard that he is afraid we will describe his record to make it look like he voted against widows and orphans and school kids and college students and farmers and city people and even the best interests of businessmen," and that he voted against cutting surplus food for the hungry; against decent housing for the disadvantaged; against a living wage for the working man," Williams said.

"He actually did that and more. It's no distortion," he told the AFL-CIO Committee

Political Education (COPE) in Detroit.

Williams made it plain that he will attempt to make Griffin's five-term record in the House the main issue of the campaign.

COPE has already endorsed Williams.

Griffin was not invited to appear before the convention in Cobo Hall and blamed the snub on "the one-man, one-vote" rule of state AFL-CIO President August Scholle.

Scholle told the 800 delegates at the COPE convention that Griffin had a fair hearing when the group screened candidates last spring.

He said labor hadn't judged Griffin by his speeches anyway, but by his voting record.

Griffin told a GOP breakfast gathering Monday, "Rank and file union members resent Scholle's attempts to control their political thinking."

The senator noted that both Gov. George Romney and his Democratic opponent, Zoltan Ferency, had been invited to debate before the COPE gathering tonight.

Cities To Plan For The Elders

ANN ARBOR (AP) — The elderly will get a bigger slice of the pie as American cities are rebuilt, William D. Bechill, U.S. Commissioner of Aging, said Monday.

He said the uncontrolled spread of urban areas in the past will be replaced by new, skillfully planned cities in which the needs of the elderly will be taken into consideration.

Bechill spoke at a luncheon on the opening day of the 19th Conference on Aging at the University of Michigan which will extend through Wednesday.

A record 425 persons are attending the meeting which has as its theme "Tomorrow's Cities."

Bechill's model plan would incorporate three basic ideas: —Make the city a place where older people are considered, are wanted, are needed and appreciated.

—Provide them with an opportunity to pursue whatever course attracts them.

—Give them a full range of services, particularly housing to assure privacy and freedom of movement.

Political Education (COPE) in Detroit.

Williams made it plain that he will attempt to make Griffin's five-term record in the House the main issue of the campaign.

COPE has already endorsed Williams.

Griffin was not invited to appear before the convention in Cobo Hall and blamed the snub on "the one-man, one-vote" rule of state AFL-CIO President August Scholle.

Scholle told the 800 delegates at the COPE convention that Griffin had a fair hearing when the group screened candidates last spring.

He said labor hadn't judged Griffin by his speeches anyway, but by his voting record.

The senator noted that both Gov. George Romney and his Democratic opponent, Zoltan Ferency, had been invited to debate before the COPE gathering tonight.

C&NW Merger With Milwaukee Hearing Jan. 16

WASHINGTON (AP) — The Interstate Commerce Commission has set next Jan. 16 for a hearing in Chicago on the proposed merger of the Chicago and Northwestern Railway and the Chicago, Milwaukee, St. Paul and Pacific Railroad.

The hearing will be preceded by a prehearing conference in Washington on Oct. 31.

An ICC spokesman said the hearing would have no effect on hearings which have been in progress since May 4 on proposals concerning mergers and purchases involving Chicago and Northwestern, Chicago, Rock Island and Pacific, Union Pacific, Southern Pacific and Atchafalaya, Topeka and Santa Fe.

The ICC also added another hearing examiner, Nathan Klitene, to the cases dealing with the Rock Island. Examiner Paul Albus who had been hearing the case, broke an ankle last week-end. Klitene will hear the case until Albus returns and then the two will hear it jointly.

John W. Powell, director of curriculum study at the University of Miami, suggested that the maturity of the nation would be helped if the voice of older and more experienced persons could be heard.

Experts planned to discuss medium and smaller cities and the so-called retirees towns at sessions today.

Today's Chuckle

When a man has a rip in his coat and only three buttons on his vest, he should do one of two things — either get married or get divorced.

Marcos Invites Allied Leaders For October 18

WASHINGTON (AP) — President Johnson agreed today to attend next month's seven-nation conference of chiefs of state in Manila aimed at trying to end the Vietnamese war.

The conference was set up under the guidance of President Ferdinand Marcos of the Philippines for all the countries with military forces engaged in the conflict.

White House press secretary Bill D. Moyers told reporters: "President Johnson is glad to agree to this invitation and will be glad to join the meeting of the other chiefs of state or government, which are participating nations in the Philippines on or after Oct. 18."

Moyers said the date is still tentative. As to whether Johnson would use the trip to Manila as a departure point for a major swing through other portions of Southeast Asia, to Australia and New Zealand, for example, the press secretary said that at this point there is no schedule for an onward trip. There have been numerous reports from the area that a Johnson visit is expected.

Review Prospects

The journey across the Pacific will take Johnson out of the country in the heat of the political campaign. It, in some aspects, was reminiscent of 1952, when Gen. Dwight D. Eisenhower scored toward the close of the presidential campaign with a promise that were he elected, "I will go to Korea."

President Marcos proposed the conference Monday night. He invited the allied leaders to meet in Manila to "review the prospects for a peaceful settlement of the conflict" in Viet Nam.

The governments of South Viet Nam, South Korea and Thailand had agreed to plans for this conference. Marcos said in a speech at the University of Hawaii's East-West Center. Later, Prime Ministers Harold Holt of Australia and Keith J. Holyoake of New Zealand agreed.

Marcos is in Honolulu on the last stop of a state visit to the United States.

Comes Before Election

The Manila meeting would come exactly three weeks prior to the congressional elections in the United States. There has been speculation in Washington political circles that the President might make some dramatic move regarding the Viet Nam situation just before the elections.

Only Monday, the White House said in response to queries that Johnson's schedule was clear of any political events. White House press secretary Bill D. Moyers said Johnson had hundreds of invitations for appearances and speeches but none had been accepted.

Party Shaping Up

The President's official party for the Asian trip was already taking shape. His older daughter, Lynda Bird, said Monday night she may accompany her father. She talked with reporters after a White House dinner honoring West German Chancellor Ludwig Erhard.

In his Honolulu address, Marcos said the emphasis of the proposed Manila summit meeting would be on the nonviolent and nonmilitary aspects of the Viet Nam situation.

Speaking at the United Nations last Wednesday, Marcos called on the Soviet Union to join in an Asian conference seeking an end of the war.

He also proposed formation of a permanent political forum to which Asian issues such as the Viet Nam war could be referred.

Brantner Wins Illinois Shoot

WAUKEGAN, Ill. (AP) — Michigan State Police trooper Richard E. Brantner of the Jackson post shot a 2632-131x over the weekend, the highest-caliber score ever by a Michigan trooper, in winning the individual Illinois pistol championship.

Brantner, 33, of Jackson, won the championship by shooting a 2632-131x over the weekend, the highest-caliber score ever by a Michigan trooper, in winning the individual Illinois pistol championship.

National Merit Commends Five

Letters of Commendation honoring their high performance on the 1966 National Merit Scholarship Qualifying Test have been awarded to five students of Holy Name High School.

Those named Commended students are Mary Bourke, daughter of Mr. and Mrs. George Bourke, of 519 S. 8th St., Escanaba; Nancy Casey, daughter of Mr. and Mrs. Robert Casey, 1608 7th Ave. S., Escanaba; John Hughes Jr., son of Mr. and Mrs. John Hughes, Sr., of S. 16th St., Escanaba; Mary Prinski, daughter of Mr. and Mrs. Rupert Prinski, Escanaba Rte. 1; and Joan Rinehart, daughter of Mr. and Mrs. Richard Rinehart, 319 S. 3rd St., Escanaba.

They are among 38,000 students in the United States who scored in the upper two percent of those who will graduate from high school in 1967.

John M. Stalnaker, president of NMSC, said: "The outstanding record made by these students in a national competition deserves public recognition. Their significant academic attainment gives promise of continued success in college."

Although students receiving Letters of Commendation advance no further in the Merit Program, their names are reported to other scholarship-granting agencies and to the colleges they name as their first and second choices at the time they took the NMSC. These colleges also receive reports of home addresses, test scores, anticipated college majors and career intentions of the Commended students.

Wirtz Announces \$422,680 Project

Youth Corps To Hire 225

SAULT STE. MARIE — Secretary of Labor Willard Wirtz announced approval of two Neighborhood Youth Corps projects for the Upper Peninsula Monday night at a dinner for Congressman Raymond Cleveland in the Ojibway Hotel at which Wirtz was presented with a certificate of appreciation from the Upper Peninsula Committee on Area Progress for his aid to U.P. manpower training programs.

Joseph Tuma, of Escanaba, executive director of UPCA, made the presentation to Wirtz. The two projects announced here will provide work experience for 225 disadvantaged youths for a total cost of \$422,680. The federal government will contribute \$350,190 of this amount and UPCA will be the sponsoring agency.

Earlier Project
The new project follows a \$163,150 on-the-job training

program approved April 22 and assigned by UPCA to Lake Superior State College at Sault Ste. Marie for administration. Of the grant \$120,000 is to go to the trainees in a 20-week program of learning on the job. Wirtz said that Youth Corps achievements had identified the Corps and drawn large numbers of youth "into the mainstream of social and economic life. The work accomplished in local projects had opened new dimensions in the daily lives of all the people in the communities, improved services, bettered recreation and increased conservation."

The new projects provide training for both in-school and out-of-school youth for occupations in which shortages exist. They include food service, clerical and office, hospital, community building and equipment repair and library aides.

Sites Of Training
Training will be given in the public and parochial schools and at city and county maintenance facilities in the vicinity of Sault Ste. Marie, St. Ignace,

Newberry, Marquette, Houghton-Hancock, Ironwood, Iron River, Iron Mountain, Menominee, Escanaba and Manistique. Trainees will also be assigned to St. Francis Hospital, in Escanaba, War Memorial Hospital, Sault Ste. Marie, and St. Mary's and St. Luke's Hospitals in Marquette.

Coordinating the work sites are the Community Action Agencies of Alger-Marquette, Baraga - Houghton - Keweenaw, Chippewa - Luce - Mackinac, Dickinson - Iron; Gogebic-Ontonagon and Menominee-Delta-Schoolcraft.

The Neighborhood Youth Corps, administered by the Manpower Administration of the U.S. Department of Labor is an Economic Opportunity Act program and a major part of the nation's War on Poverty. The enrollees are paid for part-time employment or nearly full-time employment to enable them to remain in or return to school or acquire the work experience necessary to get and hold jobs today.

The two U.P. projects, said Rep. Einar Eliandson, are part of more than 2,000 planned for the U.S. this year.

At Convocation
Wirtz told about 1,000 students at a Lake Superior State College convocation Monday that the "ignorance barrier" has been broken by education in America. He said the effects of this breakthrough would be similar in scope to the breaking of the sound barrier in the progress of flight.

Wirtz said present U.S. unemployment of 3.9 per cent represents progress in the creation of jobs. He said, however, that it was unlikely the figure ever would go below 2 or 2.5 per cent. He said it probably would be impossible to reach everyone with the education necessary for job-holding.

Briefly Told

Dr. Alfred Gossan of Escanaba and Dr. David Jondrow of Gladstone will attend a one-day educational meeting of District 4, Michigan Optometric Association at Saginaw Wednesday.

The Better Hearing and Speech Society will hold its opening meeting for this season on Wednesday, Sept. 28, 8 p.m., at the Chamber of Commerce Building, Escanaba. Father Peter and Father Paul Brien will speak on their experiences in Taiwan. The public is invited.

The monthly meeting of the Escanaba Jaycees will be held Sept. 27 at 7:30 p.m. at the Dells. All members and those interested in joining are urged to attend.

Delta Lodge No. 195 F&M will hold a special communication at the Masonic Temple Wednesday, Sept. 28 at 7:30 p.m. for work in the F. C. Degree. Lunch will be served. Visiting Masons are invited to attend.

Bark River

1966 graduates of Bark River-Harris High School who have gone on to college or into service are: Wallace Ault, U. S. Navy; Robert Bergstrom, Dale Desjardins, U. S. Army; Fort Leonard Wood, Mo.; William Guenette, Myrna Kay Norman, Bay de Noc Community College, Escanaba; Henry Gurosh, Nuclear Science, James Hooker, College of Fisheries and Wild Life, Michigan State University, Lansing; Donald Hoes, Grand Rapids College of Bible and Music; Larry Pilon, University of Michigan, Ann Arbor, Aeronautical Engineering; Edith Priot, Nancy Viau, IBM School, Milwaukee; Judith Ryan, Sarah Schieser, Accredited Beauty School, Milwaukee.

Varnum Dinner Is Set Oct. 6

Charles Varnum, Manistique, Republican candidate for 107th District State Representative, will speak at a dinner program to be held in Escanaba Thursday night, Oct. 6.

The dinner meeting, sponsored by the Volunteers for Varnum, will be held in the new Central Methodist Church at 8 o'clock.

Wallace Cameron of Gladstone will be the master of ceremonies.

Tickets are now available and reservations should be made by Tuesday, Oct. 4, by calling Mrs. James Tobin, 576-5786, Mrs. Victor Powers 576-2788 or Jack Magnusen 576-4439.

Mrs. Powers and Magnusen are co-chairmen of Volunteers for Varnum.

Park Lighting Bill Sent To White House

LEWISTON, Maine (AP) — President Johnson saved money by turning off the White House lights, but now he's getting a \$784.77 bill for a well-illuminated 25-minute speech in Lewiston.

The Finance Board of Lewiston, a Democratic stronghold in Maine, voted Monday night to send the bill to the White House.

Mayor Robert L. Couturier, a Democrat, told the board, a member of the presidential advance party had requested extra lights for Johnson's Aug. 20 speech at the City Park.

The bill for installing lights at the bandstand and in trees and hooking up power cables was submitted to the city by the Kerr Electrical Co. of Auburn, which did the work.

Dumping Ground To Go 'Landfill' At Present Site

Escanaba city and the adjacent townships are expected to combine their need for a garbage and refuse dumping ground and cooperate in the development of a sanitary landfill operation at the present site west of the city.

New state laws require an improvement in the present method of garbage and refuse disposal, with sanitary landfill or incineration required, depending on conditions.

Open dumps are no longer permitted under state statute.

"After investigating and talking over our problems with the operators and engineers of the Michigan Department of Health, it was decided that our existing dumping ground could be utilized for a sanitary landfill operation," said Escanaba City Manager George Harvey.

"This will entail the building of roads and changing the contour of the existing terrain. We will now contact the various Townships who are now using our existing dumping facility to ask their cooperation in a combined community sanitary landfill operation," he said.

The incinerator type of disposal is too costly. Escanaba handles about 180 tons of garbage per week.

The city manager said that the condition of Old State Road leading to the dumping ground is the responsibility of the city within the city limits; and of the County Road Commission outside the city. The city's portion is in "A-1 condition," said Harvey.

Harvey also reported that all of the city's planned street paving has been completed for this season by the public works

department. About 13 blocks of streets were repaved with blacktop.

The city manager in his "news letter" report to the City Council said that progress is being made in applications for state and federal participation in the cost of airport developments.

The manager questioned whether the matter of making the municipal airport "a county operation" should not also be discussed at this time. Establishment of an Airport Authority would be desirable also, he said.

22 Week Season

SAN FRANCISCO (AP) — The American Conservatory Theater will begin a 22-week season of repertory at the Geary Theater beginning next January.

Isabella

Mrs. Arvid Sundin was surprised at her home Wednesday evening the occasion being her birthday. A cake made by a close friend, Mrs. Katherine Foster of North Adams, Mich., and a bouquet of roses from her rose garden were presented to Mrs. Sundin.

Other guests were present and a buffet lunch was served. Mr. and Mrs. Helmer Groop of Rockford, Ill. were Friday guests of Mr. and Mrs. Harvey Sundin.

John LaValley Dies Today

John Z. LaValley, 70, of Rte. 1, Bark River died at 4 a. m. today at St. Francis Hospital. He had been in ill health for seven weeks.

Born March 19, 1896 in Wisconsin, he had been a resident of Delta County all of his life. He had been employed as a woodman.

Surviving are three sons, John, Escanaba Rte. 1, Roy, Racine, Wis., Lloyd of Houston, Texas; two daughters, Mrs. Walter (Corinne) Viau of Rte. 1, Escanaba and Mrs. Mark (Phyllis) Allen of Saginaw; one sister, Mrs. Laura Dykuis of Racine; one brother, Edward of Rapid River, 33 grandchildren and 22 great grandchildren.

Friends may call at the Alto Funeral Home from 4:30 to 9:30 p.m. on Wednesday and parish prayers will be recited at 8 p.m. Wednesday. Funeral services will be conducted at 9 a.m. Thursday at St. Joseph's Church in Escanaba with the Rev. Jordan Teller officiating. Burial will be in Gardens of Rest Cemetery.

Ladies Night Is Scheduled By Toastmasters

The Bay de Noc Toastmasters Club met at Marco's Monday with John Stoll toastmaster for the evening program. Table topics master was Sherwood Trotter and the speakers were Don Seymour and George McLaughlin. The master evaluator was James Wren, assisted by William Miller and Walter Peterson.

The timer was Fred Fisher. The Club limits formal speeches to five minutes and table topics, which is designed to give each member the opportunity to stand on his feet and talk, are limited to two minutes. The complete dinner meeting lasts from 6:30 to 8:30 and the cost per meeting is \$2 which includes tip and use of the conference room.

Two new members, the Rev. Teobald Hattrop and James Olson, were welcomed into the club.

A Ladies Night program, featuring humorous speeches, is scheduled for the next meeting, Oct. 10. Other members participating in the evening's program were Arthur Brien, Robert Snow and Ray Chase.

'Boop-A-Doop' Girl Is Dead

NEW YORK (AP) — Helen Kane, whose gay little girl's voice made the phrase "boop-a-doop" a part of the legend of the Roaring 20s, died Monday at 62 after a 10-year battle with cancer.

She succumbed at her home in Jackson Heights, Queens, only hours after watching a television revival of "Three Little Words," a movie in which she sang "I want to be loved by you" — her biggest hit.

Dan Healy, her husband, said, "She got a great kick out of hearing her voice coming out loud and clear."

The "Boop-a-doop" refrain that Miss Kane made a part of most of her songs had its

birth in 1908 when she was appearing at New York's Paramount Theater. She inserted the line at a rehearsal and it was a hit as soon as the public heard it.

"I don't know why I did it," she once told an interviewer. "It just came out like that."

The line and Miss Kane's squawky-voiced gaiety carried her to Hollywood. There her films brought her salaries of up to \$8,000 a week.

During the good days — "Money was falling out of trees," she recalled — Miss Kane bought houses, swimming pools and businesses. But the investments went bad and the fortune disappeared.

She was attempting a comeback 10 years ago when cancer struck.

There are approximately 20,000 federal, state, county and city firearms laws on the statute books in the United States.

Water Resources Group To Discuss U.P. Pollution

Officials of 16 Upper Peninsula governmental units are scheduled to appear before the State Water Resources Commission this week for conferences concerning the discharge of raw sewage into state waters, according to Loring F. Oeming, Commission executive secretary.

The Commission will meet in Iron Mountain Thursday and Friday, Sept. 29 and 30.

This is the sixth group to be called in since the Commission began its statewide drive to eliminate raw sewage discharges. To date 113 units of government have appeared to similar meetings. Purpose of the conferences is to determine Commission action necessary to secure abatement of the discharges.

Commission staff surveys reveal that the 16 governmental units are discharging raw or semi-treated sewage into seven rivers, five creeks and two lakes. These include the Black, Escanaba (East Branch), Ontonagon, Paint, Presque Isle, Rapid and Trap Rock Rivers; Clear, Hammell, Hills, Kneebone and Slap Neck Creeks and Little Trout and Torch Lakes.

During the two-day session the Commission will also consider issuing Notices of Determination and Hearing, based on earlier conferences, to seven lower Michigan governmental units. If issued, the notices will contain a date for a statutory hearing as well as a proposed order including a time table for abatement of the raw sewage discharge.

The seven units are the City of Walled Lake (Oakland County); the Villages of Bellevue (Eaton County), Brooklyn (Jackson County), Novi (Oakland County) and South Rockwood (Monroe County) and the Townships of Huron (Wayne County) and Pontiac (Oakland County).

Thursday, representatives of the City of Norway will appear to show why the Commission should not declare the city in default of a Stipulation executed in 1964. The city failed to award contracts for construction of sewage treatment facilities by the stipulated date of May 1, 1966.

The City of Wakefield is also scheduled to appear on Thursday to show why it should not be declared in default of a February 1966 Commission order. The order required the city to

award construction contracts for sewage treatment facilities by May 1, 1966 and the city failed to meet the deadline.

Also scheduled to appear Thursday, are the city of Crystal Falls and the Townships of Bessemer and Marenisco, both Gogebic County, and McMillen and Stannard, both Ontonagon County.

Friday morning, appearances have been scheduled for the Village of Chatham and the Townships of Forsythe (Marquette County), Masonville (Delta County) and Trout Lake (Chippewa County).

Also scheduled are the Village of Laurium, Township of Calumet and the Northern Michigan Water Company (all in Houghton County). The three will appear together because the company owns a portion of the sewer system used by the township and village. Conferences will be held with the Villages of Ahmeek (Keweenaw County) and Lake Linden (Houghton County) and the townships of Allouez (Keweenaw County) and Torch Lake (Houghton County) Friday.

The word "skeet" is an archaic Scandinavian word for "shoot," but skeet shooting is an American invention.

State Police Promote Seven

LANSING (AP)—Seven state policemen have been promoted and transferred and six others have been transferred effective Oct. 2.

Promoted: Detective Frederick Carpenter of Erie to Detective Sgt. at Detroit District Headquarters.

Detective George Kerr of East Lansing Headquarters to Detective Sgt. at Detroit District Headquarters.

Trooper Edgar Caid Jr., to corporal at New Buffalo.

Trooper John Clisch of Newberry to detective at East Lansing Headquarters.

Trooper Allan Hoxie of Paw Paw to detective at Erie.

Trooper Warren Hutchinson of the capital detail to detective at East Lansing Headquarters.

Trooper Richard Schave of Cheboygan to detective at East Lansing Headquarters.

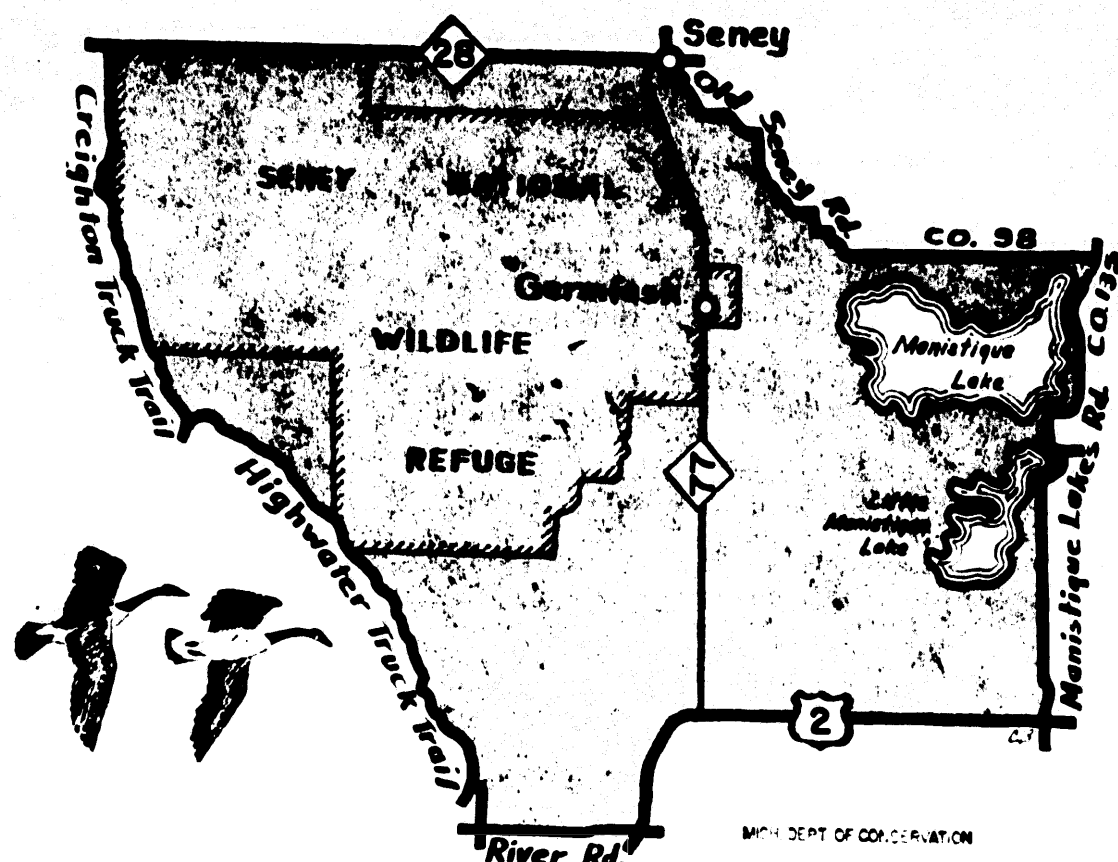

Transferred: Detective Sgt. Frank Barkman of Detroit District Headquarters to the Detective Division's Detroit unit.

Detective Charles Weirman of the East Lansing Headquarters' Detective Division to the division's community relations and juvenile unit.

Troopers Michael Anderson of Blissfield, Harold Banks of Houghton Lake, Richard Dragomer of Ionia and Harold Scholten of Ypsilanti, to the training division at East Lansing Headquarters.

Closed To Goose Hunting

1966-1967

An area of 164 square miles shown here in Schoolcraft, Luce, and Mackinac counties has been added to the Seney National Wildlife Refuge as off limits to goose hunting in 1966 and 1967. Purpose of the ban is to protect geese from the gun so that their resident flock will have a chance to build up from its present low level. In recent years, the area's level goose population has been hit hard by disease losses of young birds, overshooting, and natural predation.

Aid For Men

PHOENIX, Ariz. (AP) — The Arizona Governor's Commission on the Status of Women wants the status of men improved.

In its first report, the commission's 33 women members said the lot of men should be helped in two ways:

—Farm workers should be brought under state labor laws

which provide minimum work standards.

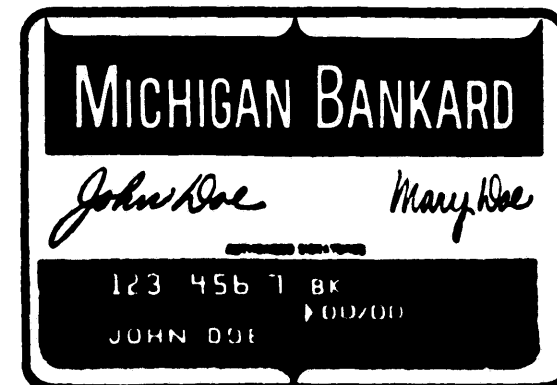

—Men should be covered by the state equal pay law, which was designed to protect working women and minors.

4-H Club Week:

Leaders Honored By Kiwanis Club

The 4-H Leaders of Delta County were guests of the Escanaba Kiwanis Club Monday at their noon luncheon as a part of National 4-H Week observances.

Bell Contract Talks Stalled

DETROIT (AP)—Negotiations for a new labor contract covering nearly 17,000 employees of the Michigan Bell Telephone Co. stalled at least temporarily today in the wake of wildcat strikes.

A management spokesman said no resumption of talks was scheduled pending an effort by leaders of the Communications Workers Union to get strikers back to work.

An estimated 420 union members in Oakland County, including Pontiac and Royal Oak and surrounding communities walked out Monday.

Nonunion supervisory personnel helped to maintain service. Union representatives left the bargaining table in Detroit to go to Pontiac in an effort to persuade the strikers to return to work.

The present contract expired last Friday midnight but the union promised to continue with it on a day-to-day basis as negotiations progressed. The union said it would strike only as a "last resort."

The new contract talks began Aug. 15.

Country Club Closing Party Set For Saturday

The Escanaba Country Club closing party is set for Saturday, Oct. 1 and the affair is planned with a Hawaiian theme.

The Luncheon will feature many Hawaiian delicacies including Curry Supreme, Chicken Hawaiian, Ham Polynesian and Sweet and Sour Ribs plus many others. Cocktails will be served from 6 to 7 p. m. with dinner from 7 to 10 p. m.

Reservations may be made by calling 786-1701 and must be in by Sept. 30.

Canada Exports Rise Is Reported

OTTAWA, Que. (AP)—Canadian exports during the first half of 1966 were 19.6 per cent higher than the first half of 1965 at \$4,663,840,000, the Dominion Bureau of Statistics reported Monday.

New Brunswick, Nova Scotia and Prince Edward Island are known as the Maritime Provinces of Canada.

President Don Ness welcomed the guests, making note of the fact that one of the aims of Kiwanis is "We Build", a phrase which also describes the work of the leaders in a 4-H program.

Arthur A. Vasold, Delta County 4-H agent, thanked the Kiwanis for their active part in the 4-H program, and asked each of the visiting leaders to introduce themselves.

Vasold then introduced Paul Dietrich, who was the recipient of the first calf in the cow-calf program which the Kiwanis is sponsoring. Paul described the six ribbons and trophy which his calf had won at the U. P. State Fair, and thanked the Kiwanis for the fine animal.

Nancy Weldum of Rock made her award winning presentation on Flower Preservation. Miss Weldum's 4-H program won her a trip to St. Louis as one of the winners at the Michigan State Fair in Detroit.

Tom Safford of Ensign, another award winning 4-H student, described his trip to Chicago, which he won by being chosen as one of eight from the Upper Peninsula to be a candidate for delegate to the national 4-H council.

The program closed with the South American Combo, a group from Gladstone composed of Kathy Madden, Cindy LeFleur, Colleen Cannon, Julie Williams and Kathy Hirm.

Officials Study Work In Space

MANNED SPACE CENTER, Houston, Tex. (AP)—Project Gemini, proving ground for the U.S. effort to land men on the moon, has been so successful, one official said, it "staggeres our imagination." But he said it uncovered a problem—working in space is not as simple as once thought.

Navy Lt. Cmdr. Richard F. Gordon Jr., a man who tried working outside Gemini 11, said that no astronaut should be expected to do anything but "simple tasks" while outside a spaceship until he is equipped with some sort of body restraints to help him maintain position.

Gordon's advice, and the experience of other spacewalkers who have found trouble spots in space walking, has caused officials to step into a detailed study of plans for the last two-man mission, Gemini 12, before moving into the Apollo moon-landing program.

Gemini 12's exotic rendezvous and spacewalk flight currently calls for Air Force Maj. Edwin E. Aldrin Jr. to shoot through space with a jet-propelled pack on his back. Aldrin and Navy Capt. James A. Lovell Jr. are to set out on the four-day mission Oct. 31.

THE KIWANIS CLUB of Escanaba gave recognition to 4-H on Monday noon in observance of National 4-H Club Week. Pictured (from left) are Nancy Weldum of Rock, Tom Safford of Ensign, and Paul Dietrich, presenting to Kiwanis President Don Ness a photo of his prize-winning calf. (Daily Press Photo)

Three Injured In City Traffic

Three persons were injured in two traffic mishaps in Escanaba Monday afternoon, it is reported by Escanaba police.

Sharon Garcia, 25, of 230 N. 20th St., is in fair condition today in St. Francis Hospital, where she was taken for injuries suffered when the car in which she was a passenger was involved in a collision in the 1600 block, Stephenson Ave.

The car was driven by Esther V. Johnson, 49, of 1801 N. 16th St., who suffered minor injuries. Another passenger, Natalie Garcia, seven months, was unhurt.

The other car was driven by Paul D. LeQuia of 901 1st Ave. S., who also escaped injury.

Scott Bowman, 14, of 260 Lake Shore Drive, suffered minor injuries when he rode his bicycle into the side of a car in the 800 block, Ludington St., at 4:49 p. m.

The car was operated by Donald S. Allardice, 1632 18th Ave. S.

Tourist Council

LANSING (AP)—The Michigan Tourist Council will meet at Manistique Oct. 2-4 to consider recommendations for its 1967 spring-summer advertising campaign.

Signal Contract

LANSING (AP)—The Highway Department Monday announced awarding a \$145,190 contract to the Detroit Terminal Railroad Co. for construction of track and signal installation at the grade separation carrying 175 over the Detroit Terminal Railroad in Detroit.

Bobby Christian

Christian Sets MEA Clinic

Drummer Bobby Christian, popular recording artist and composer, will be in Escanaba Thursday, Oct. 6, to conduct a music clinic in the band room of the Area high school in conjunction with the annual Upper Peninsula Conference of the Michigan Education Association.

Arrangements for Christian's appearance, sponsored by the Ludwig Drum Co., Chicago, were announced today by John Chown, high school band director and vice president of the U. P. School Music Association.

Christian, who started drumming when he was only six years old, has studied under many of the nation's great musicians and made his first professional appearance when he was 10 years old. He played his first theatre engagement at 13.

From 1941 to 1953, Christian headed the biggest percussion school in the country and coached percussion greats Cozy Cole, Jose Bethancourt, Lou Singer, Hubert Anderson and Frank Rullo. He also worked for both the American and National Broadcasting Co's.

His arrangements have been played by many musical groups and he was termed "the world's greatest percussionist" by Paul Whitman.

For Flying Cranes

ST. LOUIS, Mo. (AP)—A \$22.3-million order for 18 flying crane helicopters has been awarded to the Sikorsky division of United Aircraft Corp. of Stratford, Conn., the Army announced.

Loan For Iran

WASHINGTON (AP)—The Export-Import Bank has authorized a \$151-million loan to the government of Iran for construction and initial operation of the country's first petrochemical plant.

Habitant Fence Changes Office

Habitant Fence Division, Habitant Shops, Inc., Bay City today announced completion of move to new Executive Offices.

Habitant operates plants at Alpena, Gladstone and Red Lake, Minn., to "factory fabricate" rustic and contemporary wood fence.

Central Accounting, Sales and Administrative offices are now located at a newly completed office, 335 S. River Rd., Bay City. Mailing address remains P. O. Box 111.

The enlarged facilities were required to accommodate the increased central office staff necessitated by Habitant's currently expanding volume of sales. Further expansion in 1967 is expected.

Alfred Coebolt, Director of Sales, also announced appointment of G. H. Casey, Dallas, Tex., as full time Southwest territory sales representative. Casey was formerly associated with Northern Cedarcraft, fence manufacturers at Gladstone, which Habitant purchased in 1965.

Auto Assembly At Full Speed

DETROIT (AP)—Auto production lines rolled at full speed this week as the industry hurried towards its goal of 600,000 cars before new models go on display.

Most of the 1967's are to go on sale Sept. 29 but some will be shown in October.

American Motors rejoined the production parade today after a three day strike at its Milwaukee body plant resulted in curtailed assembly operations and the loss of about 3,000 cars from planned schedules last week.

General Motors had 16 plants on overtime operation last Saturday and Ford had three units on six-day work weeks as the push to get a plentiful supply of the new 1967's went on. Chrysler worked a five day week.

Total output last week was estimated at 170,622 cars, the biggest week yet in the '67 model run but still short of the industry's goal of 200,000 cars a week.

Through last week, calendar year production stood at 6,000,306 cars compared with 6,576,430 for the same period a year ago.

General Motors, and Chrysler output of 1967's thus far ran ahead of last year's figures, while Ford and AMC ran slightly behind their 1966 pace.

1100 Servicemen Die, Untouched By Enemy Fire

WASHINGTON (AP)—Almost 1,100 American servicemen have died in Viet Nam untouched by enemy fire.

This little-known statistic of the war is reflected under what the Pentagon describes as "casualties not the result of actions by hostile forces."

From Jan. 1, 1961, through last Sept. 17, there were 1,098 victims listed in this category. Helicopter accidents took 217 lives, fixed-wing plane accidents another 138 and 743 died from other causes not directly related to combat.

Of 385 deaths due to nonhostile causes between last January and last June, 143 were blamed on firearms accidents, aircraft mishaps took 132 lives, automotive accidents 45, drownings 27, sickness 7 and "various causes" 31.

U.S. combat deaths in Viet Nam from Jan. 1, 1961, through last Sept. 17 total 5,160.

Stop Pollution Suits Are Filed

LANSING (AP)—Atty. Gen. Frank Kelley said today he had filed suit to stop two Washtenaw County cement workers from polluting the waters of Stony and Sugar creeks.

Circuit Judge James Breakley Jr. ordered the firms, Martin Marietta Co. and S.J. Groves & Sons, to show cause Oct. 18 why a preliminary injunction should not be issued.

The injunction would order the two companies to comply with an order of the Michigan Water Resources Commission setting restrictions on the firms' operations. The commission asked Kelley to intervene after, it said, the companies failed to comply voluntarily with the order.

Kelley announced Monday filing of a similar suit in Van Buren County against the Glaser, Crandell Co., a pickle processor.

Reform Sought In Divorce Law

DETROIT (AP)—Four-year-old Kathy Evans marched outside Detroit's City-County Building Monday carrying a sign which read: "Act Now. Make My Marriage Safe."

Kathy and her mother were with a group of disgruntled divorcees and their families who picketed to dramatize what they feel are inhumane divorce laws. They want reform.

About 10 pickets, members of an organization called U. S. Divorce Reform Inc., carried signs reading "Do Judges Work For People or Bar Associations?" and "Attorney General Kelley—Why Not Investigate Divorce Racket?"

The group's leader, John Tomasko, explained that the purpose of the organization is to "take the profit out of divorce."

He charged that lawyers get exorbitant fees for handling proceedings.

"Solving marital problems should not cost money," he said.

U. S. Divorce Reforming Inc. is urging the creation of a family arbitration center, independent of the court system and staffed by sociologists, psychiatrists and psychologists, to handle all aspects of marital troubles.

Beta Sigma Phi Plans October Card Party, Sale

Operations Base Of Psychiatrist Stalls Program

The question of residence of a psychiatrist appeared to be the major roadblock Monday to establishment of a tri-county community mental health program involving Delta, Marquette and Alger counties.

Under the proposed program, residence of the psychiatrist would be in Marquette.

Delta County, which does not have service of a psychiatrist available, wants his services based here.

In either case, the psychiatrist would serve the other areas on a traveling basis.

The proposed program involves a budget of about \$120,000. Of this, \$80,000 the first year would come in federal aid. The remaining \$40,000 would be divided on a 75-25 basis with the state paying the larger share under Act 54.

Need Not Questioned

According to a committee of supervisors, health officials and citizens which met at the County Building, there is no question that the area needs the additional mental health services. The problem is assurance that Delta County gets its money's worth.

And, apparently that would take shift of the residence of the psychiatrist from Marquette to Escanaba.

Action by Delta County approving formation of a Tri-County Mental Health Board to qualify the program for state Act 54 funds is needed by Nov. 1. Failure to do so could delay the entire program until 1968-69, according to Dr. Howard F. Lamb, Marquette, regional coordinator for the Dept. of Mental Health. It could also jeopardize services for the other two counties, he said.

Board To Consider

"My own honest feeling is that if we don't get the program off the ground now you may get all the money you want, but you won't be able to get it for several years," he said.

"I'd hate to have to sit down and renegotiate the program, but if you folks (Delta County) don't come in with us this is what we're going to have to do."

The Delta County Board of Supervisors will consider the program — and an appropriation to finance the local share of funding — at its October meeting.

Dr. Lamb and Dr. David Wall, Marquette, director of the Adult Mental Health Clinic, spoke in favor of the proposed

program Monday. Lamb pointed out that the proposed program has already been approved by a 20-member federal advisory committee and that if the residence of the psychiatrist were changed from Marquette to Delta County loss of the \$80,000 federal grant is likely.

Dollar Return Cited

Richard Rinehart, president of Bay de Noc Community College, said, however, that "the proposed services for Delta County do not nearly meet the needs as identified in the study of mental health needs conducted two years ago."

"The great majority of services would be available in the City of Marquette, a considerable distance from Delta County with the probable result that people having need for these services will be less likely to use them."

He said that the proposed program would provide \$8.14 worth of new services to Marquette County for every dollar contributed and only \$3.74 per dollar for Delta County.

Kennedy Funeral

DETROIT (AP)—Services for Dr. Charles S. Kennedy, 78, former chief of staff at Grace Hospital and a prominent area physician, will be held Wednesday at St. Paul's Cathedral here. Burial will be in Woodlawn Cemetery. Dr. Kennedy died Sunday.

The scorpion uses its poisonous stinger both to defend itself and deliver a lethal jab to insect prey.

Women's Activities

MR. AND MRS. Oscar Solberg, formerly of Marquette, now residing at the Bishop Noa Home in Escanaba, celebrated their 36th wedding anniversary on Monday, Sept. 26. The couple was feted with an anniversary cake and a special wine course which the Noa Home provides for all special occasions. Several out of town guests were also present to celebrate with the Solbergs. Mr. and Mrs. Solberg are one of six couples now residing at the Noa Home. (Daily Press Photo)

St. Francis Auxiliary Membership Luncheon

St. Francis Hospital Auxiliary will hold its annual Membership Drive luncheon and monthly meeting on Wednesday, Oct. 5 at 1 p. m. at the Escanaba Country Club.

All women of the area who are interested in donating time in performing volunteer service are invited to join. Membership dues for 1966-67 will be payable.

Reservations for the luncheon must be made prior to Oct. 2 by calling Mrs. Ralph Anderson, 786-5686 or Mrs. Walter Bacon, 786-2274—co-chairmen of the luncheon.

Mrs. Irwin Gibbs, president, will welcome all members and a short business meeting will be conducted after which bridge and various games will be enjoyed.

The departments for volunteer work are:

Visitor Control desk; Courtesy Cart, which is operated for the convenience of the patients; Gift shop; Workshop (sewing etc.); Art; this group makes and provides tray favors for patients who are hospitalized during holidays throughout the year.

To vary canned or packaged potato soup, you may want to add canned whole-kernel corn. Use the liquid from the corn as part of the amount of liquid called for in preparing the soup.

Marilie Dani Bride Of Roy Koenigsnecht

Miss Marilie Dani of Hermansville became the bride of Roy Koenigsnecht of Fowler during a 1 p. m. ceremony performed Saturday, Aug. 20 at St. Mary's Catholic Church in Hermansville. Rev. Gervase Brewer officiated at the double ring nuptials.

The bride is the daughter of Mr. and Mrs. John J. Dani of Hermansville and parents of the bridegroom are Mr. and Mrs. Joseph Koenigsnecht of Fowler.

Ivory Peau

The bride chose for her wedding an A-line floor length gown of ivory silk faced peau enriched with Alencon lace and high-lighted by crystal and pearl clusters on the teacup sleeves and bodice. A detachable train was secured at the waistline. A matching large peau bow held her illusion veil and she carried a cascade bouquet of off-white roses and ivy.

Maid of honor for her sister was Julie Dani of Hermansville and bridesmaids were Jan Koenigsnecht, Mrs. John Champagne and Mrs. Clarence Heerema.

They were attired in yellow linen floor length gowns trimmed with yellow rose and green leaf lace. Their matching pill-box headpieces were trimmed in matching lace and they carried colonial bouquets of yellow cysanthemums and variegated greens.

Serving as bestman for his

Mrs. Roy Koenigsnecht

brother was Robert Koenigsnecht and groomsmen were Robert Carpenter, Stan Renner and Lynn Sherman. Seating the guests were John Dani and Don Koenigsnecht.

Mothers' Attire

For attending her daughter's wedding, the mother of the bride chose an aqua and gold brocade dress with matching jacket and accessories. Her corsage was a green cymbidium orchid. Mrs. Koenigsnecht wore a pink dress with matching accessories and pink cymbidium orchid corsage.

A lawn reception was held in honor of the couple at the home of the bride's parents immediately following the ceremony.

Following a wedding trip to northwestern Wisconsin the newlyweds now reside in Evanston, Ill.

The bride is a 1964 graduate of Central Michigan University where she was affiliated with Alpha Chi Omega Sorority. She is presently teaching business education. Mr. Koenigsnecht received his B. A. degree from C. M. U. and his M. A. from Northwestern University in Evanston where he is presently working toward his Ph. D. in Speech Pathology.

Parent-Teacher Tea At Ford River Today

The Ford River PTA held its first meeting of the year on Wednesday, Sept. 21. Room Mothers appointed were: Kindergarten A. M. Mrs. Gary Peterson and Mrs. Charles Jones; Kindergarten P. M. Mrs. William Ness and Mrs. Charles Miller; First Grade, Mrs. Joseph Rademacher and Mrs. Ivan Pendergast; Second Grade, Mrs. Chris Bodjanac and Mrs. Don Jacobson; Third Grade, Mrs. Donald Jaeger and Mrs. John MacMahon; Fourth Grade, Mrs. Walter Mokzyck; Fifth Grade, Mrs. Dan Wellman; Sixth Grade, Mrs. Harry Nelson.

Other appointments included: Membership chairman, Mrs. Walter Mokzyck; Gift Stamp Chairman, Mrs. Ralph Krause; Lunch Chairman, Mrs. Philip Kuckahn; Council delegates, Mrs. John MacMahon and Mrs. Wayne Schmitt. The First Grade won the attendance award.

Lunch was served by Mrs. Mary Wellman, assisted by Mrs. Dan Wellman, Mrs. Alex Chenier, Mrs. Ralph Krause, Mrs. Joseph Rademacher, Mrs. Paul Corcoran and Mrs. William Taylor.

A tea honoring the teachers will be held at the school at 4 o'clock on Tuesday, Sept. 27. All parents are invited to attend.

St. Joseph's Altar Society Meets Wednesday

St. Joseph's Altar Society will meet Wednesday, Sept. 28 at 8 p. m. in the parish hall. Mrs. J. Anzalone, chairman of the Fall Festival will give a progress report during the meeting.

Mrs. Marshall Dupie is chairman of the social and Mrs. Robert Schmidt is assisting chairman. They will be assisted by the Mesdames, John LaValley, Paul Rademacher, Frank Bink Jr., Robert Bink, Paul Derouin, Albert Valind and Mrs. Frank Finn.

PTA Council Lists Trick Or Treat Rules

The Escanaba Area PTA Council held its first meeting of the school year last evening at the Soo Hill School with President Mrs. William Savard presiding. Standing committees named were, Budget and Finance; Jefferson; Publicity; Ford River; Membership; Webster; Program; Wells; Hospitality; Pine Ridge; PTA Magazine; Lemmer; Legislation; Louis Diedrich; National PTA Publications; Soo Hill. Mrs. Dan Wellman was named 1st vice president.

The Nicole Marionettes under the sponsorship of the PTA Council will present, "Hansel and Gretel," April 29 with 2 performances, afternoon and evening. It was announced that the School Board observer plan will be continued with representatives of the Lemmer School attending the October meeting. Mrs. Savard reminded all PTA units of the PTA Workshop at K. I. Sawyer Air Base Oct. 4 and urged all interested parents to attend. Mrs. Alfred Johns is chairman for the Founder's Day Program with Mrs. Leo Niquette as assisting chairman.

Trick or treating recommendations for the public school of the Escanaba Area PTA Council are:

1 - Trick or treating should be limited to one night only from 5 to 7 on Monday, Oct. 31.

2 - Trick or treating should be limited to children in the elementary schools only. 3 - Children should stay in groups where possible and small children should be accompanied by an adult. 4 - Children should limit their trick or treat activities to their own neighborhood. It is suggested that persons wishing to contribute to trick or treaters, so signify by leaving the porch light on or placing a sign in the window.

The next Council meeting will be Oct. 24 at the Lemmer School. The refreshment table was decorated in the theme of "100 Years of Progress," and the hostesses for the evening were Mrs. David Winkler, Mrs. Carl Mattson, Mrs. Robert Cappear, Mrs. Kenneth Swanson and Mrs. Marvin Anderson.

Demo Women To Hold Dessert Card Party

Delta County Democratic Women's Club has chosen 8 p. m. Wednesday, Oct. 19, for its dessert-card party at Teamster's Hall, according to cochairmen Mrs. Einar Erlandsen and Mrs. Augie Gafner.

Aprons for table prizes, as well as additional door prizes, will be provided by Mrs. Ann Villeneuve, chairman.

Mrs. Gafner and Mrs. Leona Erickson will supervise the dessert service, and table appointments will be arranged by Mrs. Nicholas Chapekis and Mrs. Eleonore Sullivan. Assisting in various committees will be Mesdames Mayme Moreau, Agnes Anderson, Peter Thompson, Marian Brady, Exilda Nelson, Minnie Berquist and James Anderson.

Tickets can be obtained by calling ticket chairman Mrs. Erlandsen at ST 6-6416, and Mrs. William Butler at ST 6-7465, or from any of the club members.

MR. AND MRS. Phillip Cochran of 515 S. 14th St., Escanaba announce the engagement of their daughter, Rebecca to Seaman Gary L. Lehman, son of Mr. and Mrs. Anthony Milkovich, presently stationed in Norfolk, Va. Miss Cochran is a 1966 graduate of Escanaba Area High School and is presently employed at Marble Arms in Gladstone. No date has been set for the wedding.

Social Club

Wait Watchers
The Wait Watchers TOPS Club will meet at 7:30 p. m. Wednesday at the V. F. W. Hall. Members must be weighed in by 8 p. m.

Golden Age Club
The Golden Age Club will meet at 7:30 p. m. today. New members are welcome and lunch and dancing will follow the meeting.

Church Events

Calvary Baptist
Wednesday, Sept. 28, 7 p. m.—Mid-week Bible Study and Prayer; 8 p. m.—Choir rehearsal.

First Presbyterian
Wednesday, Sept. 28, 3:40 p. m.—Calvin Choir; 8 p. m.—Sanctuary Choir.

First Methodist
Wednesday, Sept. 28, 7 p. m.—Choir rehearsal; 8 p. m.—Youth Fellowship will meet at the church.

Bethany Lutheran
Wednesday, Sept. 28, 6:45 p. m.—High School and College Choir rehearsal; 7:30 p. m.—Adult Choir rehearsal.

Central Methodist
Wednesday, Sept. 28, 4 p. m.—Junior Choir 7 p. m.; Chancel Choir; 6:30 p. m.—Commemorative Banquet will be held in the Church Fellowship Hall. Rev. Jesse DeWitt will be the guest speaker.

Personals
Mrs. Edith Devost of the Rabitoy Nursing Home, 608 N. 9th St., Gladstone, celebrated her 82nd birthday Sunday, Sept. 25 and friends and relatives of Escanaba, Menominee, Newberry, and Gladstone called to congratulate her.

Hermansville
Legion Meets
The Leo Floriano American Legion Post met recently at the Camp Seven American Legion club rooms and made plans for their annual membership drive to be conducted in Meyer Township on Sunday, Oct. 9.

The post approved the purchase of supplies for the Christmas program to be held in December.

Announcement was made of the fund raising event which will culminate with the Hunter's Ball on Saturday, Nov. 19. Joseph Urlick, Robert Sutherland and William Arnold are on the committee.

Oct 10 is the final day to register for the November elections. Persons may register with Mrs. Margaret LeBombar, Meyer Township clerk.

The William Anderson Sportsmans Club will meet Wednesday, Sept. 28 at 8 p. m. at Rodman's dining room. Movies on Michigan and Ski-Doo will follow the meeting. John Malone is program chairman.

Girard Murray, Hermansville, won first prize recently at the Menominee County Timberman's Association gathering at Stephenson, having the fastest three cuts on 12 inch popple, 36.6 seconds.

An excellent "color" tour for the motorist is taking the Vega Road, north of Hermansville, turn right on the Bourgeois Road, and staying right all the way, coming out by the Spalding Tower, a distance of about 37 miles round trip from Hermansville. Many motorists are enjoying this scenic ride, this time of the year when deer and wildlife are noticeable.

Whipped dry milk to which instant coffee and non-calorie sweetener is added makes a dessert "fluff" for calorie-counters.

GLADSTONE

City To Take Bids On Lots In East End

The City Commission took action to receive bids on residential lots in the East End when they met in regular session Monday night at the City Hall.

Mayor Frank Stupak said requests for lake shore property exceed supply and the commission voted to advertise for bids this week. A minimum of \$7,500 per lot will be required. Bid opening date was set Oct. 24.

The Commission reserved the right to reject all bids by Dec. 31, if the required \$100,000 to make city improvements to the property is not obtained.

After a discussion on the upkeep of vacant lots in the city, acting City Attorney Allen Briggs was asked to check Ordinance 333 to determine whether acreage within the city must also be taken care of in the same manner as platted lots. Several complaints have been received that some areas have not been cleaned up as stipulated.

Theisen - Clemens Oil Co. low bid of 13.47 cents per gallon for gasoline for city use was accepted and the Bay de Noc Oil Co. low bids of 12.30 cents per gallon for number one fuel and 11.15 for number two oil were also accepted. The Commission accepted the bid of J. R. Grant Associates, Lake Mills, Wis., for a sewerage lift station pump in the amount of \$2,534. Delivery was promised within four weeks.

The city manager and city clerk were authorized to enter into a formal agreement with Williams & Works, Inc., Engineers, for work on the proposed filtration plant. Action is necessary to obtain Economic Development Act funds.

Stupak was also authorized to appoint a seven to nine member citizens advisory committee to act in conjunction with the planning committee to obtain federal funds for low cost housing units for elderly citizens.

The Commission gave approval to H. J. Henrikson to attend the city managers meeting at Ishpeming Oct. 19.

Since the city dumping area has been open from 8 a. m. to 4 p. m. in order to permit filling of the area daily, many citizens have complained that they are unable to get to the dump during these hours. The Commission asked Henrikson to discuss a change in hours with the U. P. Disposal Co., possibly having the area open from noon until dark one day per week.

Henrikson was asked to contact specialists in the electrical rate study field to review the rate structure in Gladstone and to report results at the next commission meeting.

Commissioner Delbert Nelson has received a suggestion that the \$4,000 received from the R. J. Rains estate be used to improve the water supply at Fernwood Cemetery. Henrikson said the situation was somewhat better now, but the commission asked him to prepare cost estimates on an adequate water supply for the bluff area, including the possibly of using water from the reservoir in order to be ready to begin work on the project in the spring.

Henrikson reported the work program was going well with about four more blocks of curbing and base remaining. He also said work has begun on the beach house and recreation building.

Delta MEA To Meet Wednesday In Rapid River

The Delta County M. E. A. will meet on Wednesday, Sept. 28, at Jack's Restaurant in Rapid River. Members attending the six o'clock meeting may order dinner from the menu.

Officers for the year are: Paul Bluet, president; Mrs. Lloyd Hansen, vice-president; Lois Borna, secretary; Treasurer, Lew Bramer.

Lions Announce Peace Contest

Youth of the Escanaba Area have been challenged to develop a plan for world peace by their local Lions Club — a challenge that could earn one of them a \$25,000 educational or career assistance grant.

The Escanaba Lions Club, together with Lions Clubs throughout the world, is sponsoring a world-wide essay contest for the world's youth on the most important world subject today — Peace. The contest offers \$50,000 in total awards, including the \$25,000 first prize, eight semi-final world regional awards of \$1,000 each and travel expenses for the eight winners to Chicago, in July, 1967. At that time, the first prize winner will be chosen from the eight. Also, more than 20,000 local, district and multiple district awards will be made.

"We are hopeful one of our young people will win this world-wide prestige award," President Don Breault said.

The contest, open to young people who will be 14 but less than 22 years of age as of January 15, 1967, was announced by the President of Lions International, Edward M. Lindsey, of Lawrenceburg, Tenn., during the Association's Annual International Convention in New York.

"Our Club winner will advance to Upper Peninsula competition in an effort to qualify for the multiple district contest," Breault said.

The contest is sponsored by more than 20,000 Lions Clubs in more than 130 countries in the free world.

"Purpose of the contest is to develop a formula for world peace because we feel peace is attainable," Breault added.

Contestants should submit their entry in essay form, not to exceed 5,000 words. Judging will fall into four categories: 75 per cent of the essay's points will be devoted to content, ten per cent to organization, ten per cent to style and five per cent to mechanics. The Lions Club will appoint three judges, to be announced later.

Closing date for the club's contest is December 10, 1966. Each applicant is limited to one entry.

Officers Visit Veterans Of WWI

Veterans of World War I and Auxiliary of District 1 (the Upper Peninsula) will hold their convention in Escanaba in May, and meanwhile the various units are receiving official visits of District 1 Commander William B. Garbett of Gladstone.

Mrs. Garbett is president of District 1 Auxiliary, and Mr. and Mrs. Garbett were in Menominee Monday night to meet with Barracks 930.

They were accompanied by Mrs. Nettie Sedl, District secretary; John Politt, District convention chairman, and Mrs. Politt.

As a project of the Auxiliary, paperback books (partially Westerns) are being collected for the Veterans Hospital at Iron Mountain, said Mrs. Garbett.

The books may be left at the Fire Station at the City Hall or they will be collected if the donors will call ST 6-1902.

Trenary Man, 50, Hurt In Rollover

A 50-year-old Trenary man was reported in "good" condition today at St. Francis Hospital after he suffered a fractured collar bone Monday in a Maple Ridge-Trenary traffic accident.

State Police said a 1964 Plymouth was involved in the last control of the car, which was driving east on County Rd. 432 and rolled over about 1:42 p.m. and about 1/2 mile from a railroad crossing. The driver, who was not hurt, was taken to the hospital and released after a short stay.

Obituary

DAVID E. WILLARD

Funeral services for David E. Willard, 66, of 600 E. 1st St., Escanaba, will be held at 10 a.m. today at All Saints Church in Gladstone, with the Rev. Charles Rheinhardt officiating. Burial will be in Gladstone Cemetery. Pallbearers were Ollie Anderson, Alfred Provencher, Leonard Olson, Joseph Goodman, Ed O'Connell and Peter O'Donnell.

NORMAN HARRIS

Funeral services for Norman Harris were held at 9 a.m. today at All Saints Church in Gladstone, with the Rev. Charles Rheinhardt officiating. Burial was in Gladstone Cemetery. Pallbearers were Ollie Anderson, Alfred Provencher, Leonard Olson, Joseph Goodman, Ed O'Connell and Peter O'Donnell.

Action UP Will Pick Up Tab For Northern Plans

MARQUETTE (AP) — The Northern Michigan University Board of Control has given tentative approval to a plan to expand the NMU campus from its present 197 acres to 425 acres.

A spokesman for the university said that as a result of the expansion, NMU would be able to serve 22,000 students. Present enrollment is about 6,800.

Dr. Edgar L. Harden said that Operation Action UP, an organization which promotes development of the Upper Peninsula, has agreed to pay the cost of planning services.

Dovantis Associates, Inc., of Washington, D. C., consultant for NMU's long range campus planning, prepared the development outline which includes a resources center, new administrative building, new physical education building, residence halls and faculty housing.

B. McKilligan Taken By Death

MANISTIQUE — Bruce A. McKilligan, 53, of Indian Lake died at 5:50 a. m. today at the Schoolcraft Memorial Hospital in Manistique where he had been a patient for one week. He had been in failing health since May of this year.

Born Sept. 6, 1913 in Manistique, Canada, he came to the U. S. in 1928 and graduated with the 1932 class of Manistique High School. Mr. McKilligan moved to Chicago in 1934 and was married to the former Kay Vrbaniach on Sept. 6, 1947 in Chicago.

He returned to Manistique in 1956 and was affiliated with the Inland Lumber and Stone Co. as assistant electrician. On March 1 of 1961 he was promoted to chief electrician for the company. Mr. McKilligan was a member of the Board of Directors of the Indian Lake Golf and Country Club and the Elks Lodge 632 of Manistique.

Surviving are his widow, Kay of Manistique, two daughters, Mrs. Walter (Anita) Diodorovich of East Chicago, Ind. and Mary Catherine at home; one brother, Ian McKilligan of Manistique and one grandchild.

Funeral services are tentatively set for 2 p. m. Thursday at the Messier-Broullier Funeral Home and burial will be in Fairview Cemetery. Friends may call after 3 p. m. on Wednesday.

Dr. Thomas Heads K-12 Project

LANSING (AP) — Dr. J. Alan Thomas of the University of Chicago today was appointed executive director of Project K-12, a comprehensive study of elementary and secondary education financing in Michigan.

The State Department of Education announced the appointment. Thomas is assistant director of the Midwest Administration Center and associate professor in education.

The program, aimed at making a thorough review of Michigan school financing, was authorized by the Legislature this year and backed by a \$100,000 appropriation.

Briefly Told

John H. Sherman, Gladstone, was booked by State Police Monday for failing to yield the right of way.

Dick Craig, president of the Escanaba Fan Club, announced that there will be a Fan Club meeting at the Escanaba Area High School, Thursday, Sept. 29, at 7:30 p. m. Movies will be shown of this year's games. All parents and interested fans are welcome to attend.

The Escanaba Planning Commission will meet with Thompson, Dike, planning consultant of Holland, Bartholomew & Associates, at the City Hall at 4 p. m. Tuesday, Oct. 4. The discussion will be on planning for Escanaba's central business district.

Traffic court summonses have been issued by Escanaba police to Clifford DeVore, 216 N. 21st St., both for speeding and to James R. Carson, 312 N. 19th St., for disobeying a traffic signal.

Emergency Care

CHICAGO (AP) — The American Medical Association has announced plans for a program to upgrade emergency medical care throughout the nation. The AMA said much attention will be given ambulance services and the training of ambulance personnel.

Harold Mack, of Massachusetts, is popularly known as the father of the American public school system.

Deny Hoffa's Rights Violated

WASHINGTON (AP) — The Justice Department says Teamsters Union President James R. Hoffa's constitutional rights were not violated during his 1964 trial for trying to bribe a jury.

Hoffa was sentenced to eight years in prison and fined \$10,000 after he was found guilty in Chattanooga, Tenn., of trying to bribe the jury in his 1962 trial on conspiracy charges.

Hoffa contends his constitutional rights to due process of law were violated by testimony of Edward G. Partin, an official of Teamsters Union Local 5 at Baton Rouge, La. Hoffa claims Partin invaded his privacy, tried to get privileged information and then was paid to tell government agents what he had heard.

In a brief filed Monday at the Supreme Court, the Justice Department denied any violation of Hoffa's rights, said Partin's evidence was admitted properly at the trial and constituted the only practical means of preserving the integrity of an ongoing federal trial which was being subjected to sweeping attack by corrupt influences.

A single bunch of bananas may have from 50 to 150 separate fruits on it and may weigh from 40 to 100 pounds.

SPEAKER AT A Congressional Commemorative Banquet at Central Methodist Church Wednesday evening will be the Rev. Dr. Jesse R. DeWitt, executive secretary of the Board of Missions and Church Extension of the Detroit Conference. The dinner program is at 6:30 o'clock.

Teachers Will Discuss Language

KALAMAZOO (AP) — A discussion of teaching languages in kindergarten through 12th grade will be the featured topic at a Michigan Council of Teachers linguistics conference at Western Michigan University Saturday.

Cuban Refugee Program Costs Pushing Higher

MIAMI, Fla. (AP) — A \$1-million weekly tab lies ahead for U.S. taxpayers to look after an increased flow of refugees from a Cuban regime which reportedly costs the Soviet Union \$1 million daily.

The Cuban Refugee Center, operated by the Health, Education and Welfare Department, said that expenditures have risen because of an airlift that brings 10 plane loads of Cubans here weekly.

A refugee budget of \$51 million for fiscal 1967, which began July 1, has passed the House and received Senate committee approval after a hearing. It was reported headed for full Senate approval.

The budget is \$8,400,000 higher than the past year. The 1966 fiscal year budget began at \$30 million and was fattened by \$12,600,000 on the strength of Castro's announcement just a year ago that he would let Cubans come here.

Since the airlift started Dec. 1, nearly 37,000 refugees have arrived. Nearly 4,000 and some times more than 4,000 arrive monthly, depending on plane capacity.

Widely published estimates place Russia's expenditure in keeping the Castro regime afloat at between \$300 and \$400 million annually.

Cost Pinch To Hurt Justices

LANSING (AP) — Counties next year may have to "spend \$20 to collect a \$5 ticket," warns the president-elect of the Prosecuting Attorneys Association of Michigan.

Donald L. Reisig, Ingham County prosecutor, said rules set last month by the State Supreme Court will be costly to counties and may force many justices of the peace out of business.

Reisig said one of the rules requires verbatim stenographic records in arraignments of persons charged with misdemeanors if the maximum penalty is 90 days or more. This, he said, includes many traffic cases.

"I don't know where we'd get the stenographers," Reisig said, adding that application of the rule to traffic cases "could lead to some asinine situations."

If his interpretation of the high court's new rules is correct, Reisig said, "then justices of the peace will be going out of business," because of the financial burden.

Hospital

Mrs. Phyllis Benard, 620 S. 15th St., is a surgical patient at St. Francis Hospital. Her room number is 338.

Barge Explosion Kills Three Men In San Francisco

SAN FRANCISCO (AP) — A gasoline barge, gashed when it struck a rock in San Francisco Bay, exploded in early morning darkness today and killed three men, the Fire Department said.

Another four men, including two U.S. Navy sailors who jumped into flaming water in rescue attempts, were injured. Among the injured was a seriously burned civilian.

The Standard Oil Co. barge was being towed between Mission Rock and the Bethlehem Steel Co. near Pier 64 when the rock gashed its hull and ruptured one of the tanks carrying gasoline.

Part of its cargo of fuel spilled on the water. About 1 1/2 hours later the blast came while a Coast Guard patrol boat and a San Francisco fire boat were investigating.

Two of the three men on the patrol boat are missing, the Coast Guard said, and the other was taken to a hospital.

A fire department spokesman said its count of dead included a man who was working on a nearby pier.

The sailors injured had been in a nearby bar and rushed to the pier after hearing the blast.

Both the patrol boat and the barge were badly damaged, the Coast Guard said.

Death Claims F. Skrusiensi

Funeral services for Frank Skrusiensi, 80, will be held at 10 a. m. Wednesday at St. George's Church in Bark River with the Rev. Thomas Dunleavy officiating. Burial will be in the Bark River Cemetery.

Mr. Skrusiensi was born Feb. 22, 1886 in Poland and came to Chicago in 1912. He came to the Harris Area in 1923. His wife preceded him in death in 1955 and he had resided in Allen Park, Mich., since that time.

He is survived by five daughters, Mrs. William Mankiewicz of Allen Park, Mich., Mrs. Viola Cholewa of Harris, Mrs. Estelle McElligot, Mrs. Irene Benda and Mrs. Josephine Satala of Chicago, seven grandchildren and one great grandchild.

No Date Coeds

CINCINNATI, Ohio (AP) — Xavier University, a men's school since 1831, is allowing girls in a daytime class.

But it's a sure bet the men won't be lining up for dates. The new "coeds" will be 3 or 4 years old.

The youngsters, along with boys their age, will participate in Xavier's teacher education graduate program.

In This Corner

with Ray Crandell

We join several thousand Escanaba and Holy Name football fans in a plea to the people who make up the programs for their prep games . . . PLEASE list the players in numerical order, rather than alphabetical . . . The list of players in alphabetical order is practically useless to the fan who must rely on his program to identify the players by their numbers.

Coch Jack Finn's Battle Creek Central football team registered its second straight impressive victory last weekend, beating Jackson by a 35-0 margin . . . John Kircher, coach at Holy Name last fall, lost his opener at Bishop Curley High School in Miami, Fla., by a 41-0 margin.

At last look, the pitching record of George Brunet, Copper Country native with the California Angels, was 12-12 . . . He had pitched 200 innings, granted 176 hits and 99 walks while striking out 140 batsmen . . . His earned run average was 3.38.

The No. 1 rating in the Upper Peninsula high school football poll was no jinx to Ironwood last weekend as Coach Wayne Melchiori's gridders blasted arch rival Hurley, 46-7 . . . It was Ironwood's 12th straight triumph over a two season period and extended Hurley's losing streak to 17 games, extending back to the 1964 campaign . . . Quarterback Don Kolvato tossed two touchdown passes to Jon Currier and fullback Dave Silning blasted over for a pair . . . Silning pounded out 193 yards in 17 carries.

Calumet's George Oikarinen, leading scorer in the Upper Peninsula this fall, put on another spectacular exhibition as the Copper Kings mauled Ontonagon, 46-19, for their fourth straight triumph . . . Oikarinen carried the ball 12 times for 115 yards and scored three touchdowns on plays covering 7, 26 and 70 yards . . . He has 13 touchdowns for the season.

L'Anse was knocked out of the Upper Peninsula's undefeated, untied line by Houghton, 6-0 . . . Jerry Lajenease tallied the lone touchdown of the game on a two yard sneak late in the third period.

St. Ignace ran its two season victory string to 15 games by blanking downstate Petoskey, 26-0, punching out four touchdowns in the second half after a scoreless first two periods . . . Fullback Ken Brown had his fourth straight 100-plus rushing game, gaining 113 yards in 15 carries and scoring one touchdown.

Soo halfback Dave O'Gorman turned in the best performance of his prep career to pace the Blue Devils to a 34-0 Great Lakes Conference verdict over Newberry . . . The 150 pound senior halfback gained 204 yards in 13 carries and scored touchdowns on runs of 95, 35 and 4 yards.

John Shepich, 155 pound junior halfback, was the hero for Stambaugh in a 19-13 Menominee Range Conference verdict over Iron Mountain . . . He scored all three Stambaugh touchdowns while gaining 188 yards in 25 carries.

Great Debut For Fairly

By The Associated Press

Don Fairly made a big hit in his official Busch Memorial Stadium debut, and John Briggs did the same in his latest performance at Connie Mack Stadium.

Reviewing both, the Pittsburgh Pirates thought highly of neither.

Fairly hit a two-run homer his first time up, then added two singles as the Los Angeles Dodgers defeated St. Louis 6-3 Monday night. Briggs, meanwhile, singled home the winning run in Philadelphia's 11-inning, 5-4 victory over the Pittsburgh Pirates.

The combination increased Los Angeles' National League lead to a commanding 2½ games over Pittsburgh and left the Dodgers in such a position that if they split in their last six games the Pirates would have to win all five of theirs for a tie.

"Things are a little better than they were this morning," Dodger Manager Walter Alston said after the game.

Countered Pirate Manager Harry Walker:

"It isn't over yet."

When Fairly homered in the first inning, it marked his first official time at bat in the Cardinals' new park. In his only previous appearance, he walked. He didn't play the rest of the time the Dodgers were there because of torn cartilage in the left side of his rib cage.

The Dodger right fielder

didn't stop with the homer, though. He added two singles, drove in another one and scored one more.

Briggs didn't make his entrance at Connie Mack Stadium until the sixth inning when he beat out an infield single as a pinch hitter and eventually scored the run that gave the Phillies a 4-3 lead.

The Pirates tied it, however, and Briggs had to come through with a two-out, run-scoring single in the 11th.

In the only other National League game, three-place San Francisco remained four games out by whipping Atlanta 8-2. Rain washed out New York at Cincinnati.

In the American League, Detroit edged California 2-1 and Boston blanked Washington 5-0 before bowing 3-2.

Juan Marichal pitched a six-hitter for his 24th victory against six defeats. One of the hits was Felipe Alou's 31st homer for Atlanta. The Giants easily offset that blow, however, as Willie McCovey unloaded his 35th homer, a two-run blow, in the first inning, and Tom Haller connected with two on in the fourth.

Detroit's Denny McLain allowed California just four hits in eight innings and won his 20th game against 13 defeats. Gates Brown batted for McLain in the ninth and singled home Mickey Stanley with the winning run. Stanley led off the inning with a triple.

Darrell Brandon scattered seven hits in Boston's opening game shutout over Washington. Dalton Jones supported him with three hits and three runs batted in.

The Senators came back in the eighth, however, winning on Don Lock's two-run homer in the seventh inning. Joe Coleman stopped the Red Sox on six hits.

The 51-year-old former major league catcher is suffering from cancer. Swift fell into a coma over the weekend.

Complaining of food poisoning, Swift entered the hospital shortly after the All-Star game in July. A malignant tumor was discovered during the examination.

He underwent cobalt treatments for several weeks as an outpatient. But three weeks ago, he reported the hospital when his condition worsened.

Swift was named interim manager of the Tigers for the second time May 16 when the late Charlie Dressen suffered his second heart attack. Dressen died Aug. 10, less than a month after another Tigers coach, Frank Shaff, was named to replace Swift.

DETROIT (AP) — Bob Swift, twice pulled from the coaching ranks to take over the Detroit Tigers in the last two years, was reported in poor condition at Grace Hospital Tuesday.

The above schedule is based on Eastern Standard Time. The hunting of waterfowl shall conform to the shooting hours as listed for each meridian time zone. Check the above map to be sure you are using the right shooting hours for the area you are hunting. It is unlawful to hunt or shoot migratory game birds prior to the a.m. or after the p.m. hours as listed. On October 1, no hunting of geese in Zones 1 and 2 prior to 10 a.m. On October 10, no hunting of migratory birds except woodcock in any zone prior to 10 a.m. On October 20, no hunting in Zones 2 and 3 prior to 10 a.m.

Manistiquette News

Teachers To Visit Big Spring

The Michigan Retired Teachers Assn. will meet at the home of Adeline Wager, Thompson, at 1:30 p.m., Monday, Oct. 3. Reservations should be called to 341-5548. Members have been invited to meet at Fireside Restaurant at 12:45 p.m. Friday when a tour group of the Michigan Retired Teachers Assn. will lunch at 12:45 p.m. The teachers are on a tour which includes the Big Spring.

Briefly Told

Jobs Daughters meet at 7 p.m. today.

Officers will be elected by the Eastern Star at a meeting Saturday at 8:15 p.m.

The Manistiquette Rifle and Pistol Club meets at 7:30 p.m. Wednesday in the clubhouse. A dinner will be served.

The Lincoln PTA meets at 8 p.m. Thursday. Sixth grade mothers will be hostesses. Mrs. Arthur Hough is chairman.

Application for a marriage license was made by Gerald F. Baker, 727 Garden and JoAnn Osterhout, Rte. 1.

Bernard D. Lasich, 191 N. Maple was assessed fine of \$15 and costs of \$3.70 and sentenced to two days in jail for driving while license was revoked.

The Goodwill Club meets at 5:30 p.m. Thursday in Hiawatha School for a pot luck supper. Members should bring table service.

A car driven by John Guertin, 34, of Manistiquette tipped on its side at 8:45 p.m. Sunday on a curve on County Road 440. State Police said the car bounced into soft area on the right due to road roughness.

State Police ticketed Henry F. Grondin, St. Ignace, Peter J. Lis Jr., Utica, Joseph C. Lessard, Flint, Hiram Keur Jr., North Muskegon, and John J. Guertin, 134 N. Houghton, speeding; Karen Nadeau, Ensign, improper overtaking and passing; Francis A. Finlay, Marquette, improper use of registration plate.

Michigan TB Losses Up 10%

LANSING (AP) — New tuberculosis cases among Michigan residents are up more than 10 per cent this year compared to 1965, reports the Michigan TB and Respiratory Disease Association.

Hospital

The total through Sept. 9 was 2,314 cases, compared with 2,072 at the same date last year. Average for 1966 so far is about 64 new cases a week.

Personal

The association said the increase centers primarily in Wayne County, where 1,388 new cases were reported compared with 1,108 through Sept. 9, 1965.

Personal

Discharged were Clara Southard, Patricia Johnson, Laura Corr, Emma Jean Lustila, Esther Zook, Verna Cloutte, Evelyn Patzer, Patricia Peterson and Shirley Hancock and baby.

Dummies Pay Claims Owner

ROTHWELL, England (AP)—Filling station owner Leslie Parkin bought three dummies to stand at his pumps.

"With the new payroll tax it doesn't pay to have real live attendants standing around just waiting," he said. "So I bought the dummies for 25 pounds (\$70)."

Under Britain's new payroll tax, employers must pay the government 25 shillings (\$3.50) weekly for every male worker, and 12 shillings six pence (\$1.65) for every female worker.

Leslie's pumps Parkin has two male dummies and one female.

"The dummies have paid for themselves in extra business," he said.

Passing motorists are attracted when they see three attendants ready to serve them. The moment they drive their cars on my premises, I have about five attendants who rush out."

FILLING STATION owner Leslie Parkin stands beside an automobile and surveys his new help, Sue and Bill, two of three dummies he bought to beat Britain's new payroll tax. Parkin, whose station is at Rothwell, in Yorkshire, England, says "It doesn't pay to have real, live attendants standing around just waiting." Employers now must pay the government \$3.50 for every male worker and \$1.65 for every female per week. So he bought the dummies for \$70 and pumps the gas himself. Dogs Lead Police To Man Wanted In Two Shootings

SHEPHERD (AP)—Robert Weaver, 26, was shot fatally Monday by a man who rushed out of a neighbor's house across the road and opened fire. The neighbor's wife was wounded seriously by a bullet in the back.

The scene was the intersection of Isabella and Blanchard Roads four miles west of Shepherd.

State Police launched an immediate search for Donald Haney, 37, husband of the wounded woman, and found him with the aid of tracking dogs some four hours later in a woods about two miles southwest of Shepherd. Haney was taken into custody without immediate charge.

A spotter airplane also had been called into the search. Weaver was hit in the chest. He was a father of four.

A bullet was removed from the back of Mrs. Georgia Haney, 33, who lived across the road from Weaver. She is a mother of six, the youngest only two weeks old. She was taken to a Mount Pleasant hospital.

Mrs. Weaver was quoted by State Police as saying her husband was just leaving for work about 6:30 a.m. when a man rushed out of the Haney home and shot him. She said the man ran into woods behind the Haney home, but State Police refused to say whether she identified the man.

The Weavers moved to the Shepherd area about a year ago from Ithaca. Mrs. Weaver was quoted as saying there had been no serious trouble she knew of between the families.

Michigan Farmers Get \$50 Millions More School For Acreage Pay Walkouts Due

EAST LANSING (AP)—About 60,000 Michigan farmers will receive about \$50 million this year for diverting acreage from wheat and feed grain production, a federal official says.

Frank Light, chairman of the Michigan Agricultural Stabilization and Conservation Committee, said Michigan farmers already have received \$12 million in diversion payments.

He said about 45 per cent of all farmers who have produced wheat and feed grains are participating in this year's program, designed to cut output of crops which have been overproduced.

Verwoerd Killer Trial Oct. 17

CAPE TOWN, South Africa (AP)—Dimitrios Tsafendas is to go on trial in Cape Town's Supreme Court Oct. 17 for the assassination of Prime Minister Hendrick F. Verwoerd, stabbed to death on the floor of Parliament early this month.

Murder in Africa carries the death penalty. Execution is by hanging.

Archaeologists have found pieces of man-made iron that are nearly 5,000 years old.

More School Walkouts Due

MACKINAC ISLAND (AP)—Despite the fact teacher strikes are illegal, school districts can expect additional walkouts next year, the chairman of the State Labor Mediation Board said here.

Robert Howlett made his prediction in a speech to some 500 superintendents at the annual meeting of the Michigan Association of School Administrators.

While forecasting strikes next year, Howlett said he anticipated administrators can look forward to a more peaceful year than 1966, in which there were 14 teacher strikes.

He advised that school board members sit in on negotiations "to learn what it is all about."

"Our experience in public employee bargaining," Howlett said, "was the most dramatic of any state in the nation. Everyone is watching us."

He said he did not consider the 14 strikes a bad record for 700 school districts bargaining for the first time. He added it was his belief about half the strikes could have been avoided if both sides had had more experience.

He said some of the strikes could be blamed on competition between the independent Michigan Education Association and

the Michigan Federation of Teachers, an AFL-CIO union, to win representation elections.

"They had to show they were militant enough to represent the teachers and to strike was the way to do it," he added.

He said the board at first advised school boards to hire competent negotiators to represent them, but not let board members participate.

"We reversed ourselves on that," he said, "because we found school boards would refuse fair settlements just because they didn't know anything about collective bargaining."

"Teacher negotiations are about where industry bargaining was 30 years ago."

While teacher strikes are illegal, Howlett said: "So far elected judges have refused to issue injunctions and that's the only means of stopping the strikes."

Study Fats

KALAMAZOO (AP)—A three-year grant totaling \$40,900 from the National Heart Institute has been received by the Chemistry Department at Western Michigan University for a study of the relation of fatty compounds to hardening of the arteries.

Vote On K-12

ALLEGAN (AP)—A K-12 school organization vote affecting five of the county's nine school districts will be held here Oct. 3.

When you see us for a '67 car loan...*be ready to roll!*

We say okay on new car loans so fast that we'll surprise you. And talk about easy terms — just pick out the car you like, ask us for the money, and you're off in that new car of yours in minutes. You'll save a bundle of money, too. That's because our car loan plan is designated to make it real easy on your pocketbook. For a loan that's lightning fast, for a loan that will treat your pocketbook with tender loving care, just see us.
